MEMORANDUM FOR RECORD

SUBJECT: Officer Evaluation Report Comments for: Lakin, Terrence L. LTC, MC, [REDACTED]

1. Under provisions in AR 623-3, please accept these comments regarding my Officer Evaluation Report (OER) with thru date of 12 April 2010 submitted to me for my approval on 29 June 2010.
2. All derogatory remarks in this OER originate from UCMJ charges that are still under investigation and for which I have yet to be arraigned or found guilty. Thus, per AR 623-3 para 3-23 and 3-24 alleged actions should not be included in OERs.
3. I do not agree with my OER containing derogatory information based upon my stance of upholding my Oath of Office, to protect and defend the Constitution, and refusal to obey orders until the legitimacy of the Commander in Chief is proven. I attempted to question the legitimacy over 1 ½ years ago through the only official process I knew how, and I was not offered any command or legal assistance to resolve the issue-despite asking.
4. There was an earlier version of an OER presented to me with thru date of 20100411 signed by my Rater and Senior Rater. This version is accurate regarding my performance and should be submitted to DA for my OER of record.
5. Questions may be addressed to the undersigned at [REDACTED] or cell phone of [REDACTED].
